Indian Outrages Still Continued.

ST. LOUIS, August 5.

The following proceedings of the Indian Commissioners on Saturday have made public. It was agreed that Sherman in Col. Tappan, Commissioners of Indian Affairs, should communicate with officers about their control, directing them to act under their command in the vicinity of their respective posts.

Agreements were made with the commissioners at Fort Laramie at full moon in August, the 25th, to assemble at Fort Laramie, on Arkansas river, at full moon in October. The Indians goods were to be stored for the Cheyenne, Arapahoe and Comanche, and sent to the agent of the tribes to await the instructions of the Commissioner of Indian Affairs.

Col. Tappan and Gen. Sanborn were made a purchasing commission of supplies. The board then adjourned to meet at Lewiston, Aug. 11. They did not cross the Missouri river to the highest possible point, confer with all the Indians they can meet, and examine lands for a winter home.

Gen. Sherman telegraphed to Gens. Hancock and Auger in accordance with the above, and Col. Tappan sent the same to the Commissioner of Indian Affairs at Atchison, and the runner to the Northern agency. Gen. Sherman also in strict confidence, to the Cheyenne, Arapahoe and Comanche, presenting him, on his retirement, a sum sufficient to support him comfortably the remainder of his days.
